\* Two-year data from Mississippi are from 2005–06, rather than 2002–03. We could not calculate total degree production for Mississippi because two-year and four-year data are from different years.

NA = Not applicable

**Note: As part of our Completion Innovation Challenge, states were asked to submit the comprehensive data found in this report. Seventeen states chose not to participate. Four of these states — Connecticut, Maine, Rhode Island, and Vermont — already have committed to major improvements in their postsecondary programs by joining our Alliance of States.**
